PART ONE: ABOUT OUR CLUB

Brief history of the Narrikup Netball Club

The Narrikup Netball Club is the oldest club competing in the Albany Netball Association. The club was founded in 1971 in the small town of Narrikup, located between Mt Barker and Albany. At that time Narrikup consisted of five houses, a general store, the local hall, two run down tennis courts and an oval.

Beryl Determes and Glenys Steel, both Narrikup residents with netball backgrounds, decided to form a netball team for their daughters to play in, along with a senior team of local residents. The black and red club colours were chosen to match the Mt Barker school colours, where the local children attended. The teams played in Albany on the old courts which were located on the corner of North Road and Lockyer Avenue.

The Club was involved in the formation of the Narrikup Combined Sports Group in 1972, in conjunction with the local tennis and cricket clubs. The players trained on the courts at Narrikup, located next to the oval, which were initially in very poor condition. With the help of willing parents, the weeds were cleared, netball poles made, and eventually money was raised through local dances to install lights. A small unused club house languishing in the Porongurup's was spotted by Maurice Determes, and was eventually purchased, moved to the oval and fitted with a kitchen. The club house is still in use during the cricket season. The Club remained involved with the Narrikup Combined Sports Groups until 2008, when the Club became incorporated in their own right.

The club had as many as six teams based in Narrikup, with senior teams known as Devils, Demons and Demoniacs, while the younger teams were Swans, Cobs, Cygnets and Angels. The logo of the club was designed by one of the club's early players, Mandy Montgomery, and represents these team names.

In 1999 the club partnered with Flinders Park Primary School to help grow the club and ensure its future. Since this time, the Club has had as many as 19 teams playing in the Albany Netball Association, and has experienced plenty of success both at a team level, and with many of our players achieving success representing Albany and the region. While the club no longer has a physical association with Narrikup, the Club retains strong links with Narrikup through our committee and life members. The name of our Club will always remind us of our humble beginnings!

PART FOUR: MEMBER PROTECTION POLICY

Purpose of Our Policy

The main objective of our Member Protection Policy (policy) is to maintain responsible behaviour and the making of informed decisions by participants in this club. It outlines our commitment to a person's right to be treated with respect and dignity, and to be safe and protected from abuse. Our policy informs everyone involved in our club of his or her legal and ethical rights and responsibilities and the standards of behaviour that are required. It also covers the care and protection of children participating in our club's activities.

Who Our Policy Applies To

Our policy applies to everyone involved in the club including committee members, administrators, coaches, officials (umpires), players, parents and spectators.

Extent of Our Policy

Our policy covers unfair decisions (e.g. team selection) and actions, breaches of our codes of behaviour and behaviour that occurs at practice, at social events organised or sanctioned by the club (or our sport), and on away and overnight trips. It also covers private behaviour where that behaviour brings our club or sport into disrepute or there is suspicion of harm towards a child or young person.

Club Responsibilities

We will:

- implement and comply with our policy.
- promote our policy to everyone involved in our club.
- promote and model appropriate standards of behaviour at all times.
- respond to breaches or complaints made under our policy promptly, fairly, and confidentially.
- review this policy every 12-18 months; and
- seek advice from and refer serious issues to our State body (Netball WA).

Serious issues include unlawful behaviour that involves or could lead to significant harm and includes criminal behaviour (e.g. physical assault, sexual assault, child abuse) and any other issues that our state or national body request to be referred to them.

Narrakup Netball Club

Club Handbook

Individual Responsibilities

Everyone associated with our club must:

- comply with the standards of behaviour outlined in our policy;
- treat others with respect;
- always place the safety and welfare of children above other considerations;
- be responsible and accountable for their behaviour;
- follow the guidelines outlined in this policy if they wish to make a complaint or report a concern about possible child abuse, discrimination, harassment or other inappropriate behaviour.

Protection of Children

Child Protection

Our Club acknowledges that our staff, members and volunteers provide a valuable contribution to the positive experiences of children involved in our sport. Our Club aims to continue this and to take measures to protect the safety and welfare of children participating in our sport by:

a) Identify and Analyse Risk of Harm

The Narrakup Netball Club will review existing child protection practices to determine how child-safe and child-friendly the organisation is, and to determine what additional strategies are required to minimize and prevent risk of harm to children because of the action of an employee, volunteer or another member. These practices will be reviewed annually.

b) Develop Codes of Conduct for Adults and Children

The Club will ensure that the organisation has codes of conduct that specify standards of conduct and care when dealing and interacting with children, particularly those in the organisation's care.

c) Choose Suitable Officials and Volunteers

The Narrakup Netball Club will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children (in prescribed positions).

This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

The Club will ensure that working with children checks are conducted for volunteers working with children as required under the current legislation.

d) Empower and Promote the Participation of Children In Decision-Making And Service Development

The Club will promote the involvement and participation of children and young people in developing and maintaining child-safe environments.

e) Report and Respond Appropriately To Suspected Abuse and Neglect

The Club will ensure that volunteers and officials are able to identify and respond to children at risk of harm. The Club will make all volunteers and officials aware of their responsibilities under respective state laws if they have suspicion on reasonable grounds that a child has been or is being abused or neglected.

Club Handbook

Endorsed 2019, Reviewed March 2026

In addition to any legal obligation, if any person feels another person or organisation bound by this policy is acting inappropriately towards a child or is breaching the code(s) of practice set out they may make an internal complaint. Please refer to our complaints procedure outlined in attachment 2 of this policy. This will explain what to do about the behaviour and how the Club will deal with the problem.

Supervision

Members under the age of 16 must be supervised at all times by a responsible adult. Our club will provide a level of supervision adequate and relative to the members' age, maturity, capabilities, level of experience, nature of activity and nature of venue. If a member finds a member under the age of 16 is unsupervised, they should assume responsibility for the member's safety until the parent/guardian or supervisor can be found.

All parents have a responsibility to ensure their children are picked up on time from training and games.

Training at ALAC: the Club has a duty of care to players for the duration of their allocated training time. Once their training is complete, it is the responsibility of the parent/carer to ensure that their child is either picked up or have an alternative arrangement for getting home.

For all players - game days at ALAC: the Club has a duty of care to players for the duration of their scheduled game. Once the game is complete, it is the responsibility of the parent/carer to ensure that their child is either picked up or have an alternative arrangement for getting home.

Transportation

Parents/guardians are responsible for transporting their children to and from club activities (e.g. practice and games). Where our club makes arrangements for the transportation of children (e.g. for away or over night trips), we will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and appropriate safety measures are available (e.g. fitted working seatbelts).

Taking Images of Children

Images of children can be used inappropriately or illegally. The club requires that members, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. We also require the privacy of others to be respected and disallow the use of camera phones, videos and cameras inside changing areas, showers and toilets.

If the club uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by pedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc.

Anti-harassment, Discrimination and Bullying

Our club opposes all forms of harassment, discrimination and bullying. This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening - whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers. Some forms of harassment, discrimination and bullying are against the law and are based on particular characteristics such as age, disability, gender, sexual orientation, pregnancy, political or religious beliefs, race, and marital status.

Our club takes all claims of harassment, discrimination, bullying and cyber bullying seriously. We encourage anyone who believes they have been harassed, discriminated against or bullied to raise the issue with the club (see Responding to Complaints).

Inclusive Practices

Our club is welcoming and we will seek to include members from all areas of our community.

Where possible we will include people with a disability in our teams and club. We will make reasonable adaptations (e.g. modifications to equipment and rules) to enable participation.

Sexual & Gender Identity

All people, regardless of their sexuality, are welcome at our club. We strive to provide a safe environment for participation and will take action over any homophobic behaviour.

Pregnancy

Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, should be of utmost importance in their decision making about the way they participate in our sport. We recommend pregnant women to consult with their medical advisers, make themselves aware of the facts about pregnancy in sport, and ensure that they make informed decisions about participation.

Responding to Complaints

Complaints

Our club takes all complaints about on and off-field behaviour seriously. Our club will handle complaints based on the principles of procedural fairness (natural justice), that is:

- all complaints will be taken seriously.
- both the person making the complaint (complainant) and the person the complaint is against (respondent) will be given full details of what is being said against them and have the opportunity to respond (give their side of the story).
- irrelevant matters will not be considered.
- decisions will be unbiased and fair; and
- any penalties imposed will be fair and reasonable.

More serious complaints may be escalated to the Albany Netball Association. If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our club will need to report the behaviour to the police and/or relevant government authority.

Complaint Handling Process

When a complaint is received by our club, the person receiving the complaint (e.g. President) will:

- listen carefully and ask questions to understand the nature and extent of the problem.
- ask what the complainant would like to happen.
- explain the different options available to help resolve the problem
- take notes; and
- maintain confidentiality but not necessarily anonymity.

Once the complainant decides on their preferred option for resolution, the club will assist, where appropriate and necessary, with the resolution process. This may involve:

- supporting the person complaining to talk to the person being complained about.
- bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation).
- gathering more information (e.g. from other people that may have seen the behaviour).
- seeking advice from our district, regional, state and/or national body or from an external agency (e.g. State Department of Sport or anti-discrimination agency).
- referring the complaint to our State association; and/or
- referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a complaint is referred to the Albany Netball Association and an investigation is conducted, the club will:

- co-operate fully.
- ensure the complainant and respondent are not victimised.
- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- act on the Albany Netball Association's recommendations.

Narrakup Netball Club

Club Handbook

Endorsed 2019, Reviewed March 2026

At any stage of the process, a person can seek advice from or lodge a complaint with an anti-discrimination commission or other external agency.

Disciplinary Measures

Our club will take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- Be fair and reasonable;
- Be based on the evidence and information presented and the seriousness of the breach;
- Be determined by our Constitution, By Laws and the rules of the game.

Possible measures that may be taken include:

- verbal and/or written apology.
- counselling to address behaviour.
- withdrawal of any awards, placings, records, achievements bestowed in any tournaments, activities or events held or sanctioned by our club.
- suspension or termination of membership, participation or engagement in a role or activity.
- de-registration of accreditation for a period of time or permanently.
- a fine; or
- any other form of discipline that our club considers reasonable and appropriate.

Appeals

The complainant or respondent can lodge one appeal against decisions of or disciplinary measures imposed by our club to the Albany Netball Association. Appeals must be based on either a denial of natural justice, because of unjust or unreasonable disciplinary measure(s) being imposed, or on the grounds that the decision was not supported by the information/evidence presented and available to the decision maker/club.
