N2 Fight Hard but Fall Short in Round 10 Against Magpie

Narrikup 2 worked hard to settle after a shaky first quarter, eventually taking the challenge right up to a fast and physical Magpies side. Once they found their rhythm, N2 lifted, and matched the physicality and showed clear improvement through the middle stages of the match. The defensive unit applied their baseline-drive training with purpose, shutting down space, forcing errors and creating multiple opportunities to win back possession. In attack, the team used strong angles, smart ball movement and patience through the midcourt to work the ball effectively into the circle, where Erin and Ruby combined confidently and converted well under pressure.

Mischa delivered a standout performance, collecting intercepts in all three defensive positions while also providing strong attacking options through the midcourt. Her versatility and work rate helped steady the team and drive momentum after the slow start. Across the court, players applied feedback quickly, maintained structure and worked together to craft their play despite Magpies' pressure. The improvement in connection, timing and decision-making was evident as the game progressed.

Although Magpies proved too strong, N2 showed genuine growth. Their defensive pressure, patience in attack and ability to settle after a tough opening quarter were all positives to take forward. It was a committed performance and the team demonstrated they are building stronger combinations and confidence each week.
