N8 Fight to the Finish in a Thrilling Round 10 Draw

Round 10 delivered a high-quality, hard-fought contest where Narrikup 8 and Kangas stayed close all match. Narrikup held a one-goal lead at halftime, and after some smart positional changes, the team produced a brilliant third quarter, holding Kangas to just two goals while scoring seven. That surge pushed them out to a five-goal lead, but fatigue set in late and Kangas clawed back, ending the game in a 28–28 draw.

Narrikup showed determination, strong defensive pressure and excellent goal accuracy. Their consistency across the first three quarters stood out, even though passing accuracy and space awareness slipped at times and the team tired in the final term. Strengthening the defensive end at halftime and keeping the midcourt stable helped maintain momentum and structure.

The girls played with a never-give-up attitude and applied feedback immediately. Fill-ins Mia and Macy were outstanding in defence, making life difficult for Kangas' shooters and dominating the third quarter. Aroha supported well in the circle alongside Lucy, whose accuracy was exceptional.

Lucy was a standout, shooting 22 of Narrikup's 28 goals, an incredible effort after already playing a game beforehand. Sara made her shooting debut and showed real potential, while Macy delivered her trademark defensive strength with intercepts and relentless pressure.

A determined and disciplined performance from every player, earning a well-deserved draw.
