N12 Fight Hard and Control the Contest

Narrikup 12 started Round 12 with a slow opening few minutes but quickly turned things around, fighting for every ball and edging out a 1-goal lead at quarter time. Their determination carried into the second quarter, where fantastic ball movement and strong contesting lifted the tempo. N12 pushed ahead to a 4-goal lead at halftime, showing growing confidence and control.

The third quarter showcased outstanding defensive pressure, with the backline reading play well and shutting down Royals' options. Although ball placement let the team down at times, their work rate never dipped, every player continued to fight for possession, extending the lead to 6 goals heading into the final term. In the fourth quarter, N12 went out hard, controlled the game flow, and produced some beautiful passages of play. Their focus on contesting strongly and maintaining front position helped secure the 25-17 victory.

Narrikup's strengths were clear: relentless defensive pressure, strong contesting, and disciplined ball movement. Royals challenged, but N12's ability to win back ball and convert made the difference.

The team succeeded stayed composed under pressure. Their ability to control turnovers, fight for loose balls, and maintain structure reflected in their game.

A great game N12.
