N1 Set the Pace Early in a High-Intensity Round 12 Victory

Narrikup 1 exploded out of the blocks in Round 12, producing a dominant 21-goal first quarter while holding Royals to just 9. Their defensive pressure was outstanding from the opening whistle, forcing repeated turnovers and giving the shooters a steady flow of ball. The second quarter was also outstanding, with N1 netting another 19 goals and restricting Royals to 8, extending the lead and showcasing control from defense, into centre court which fed into the shooters, showcasing control across all thirds.

The third quarter saw a shift in momentum, with both teams more evenly matched. Narrikup added 13 goals while Royals responded with 12, creating a tighter contest as fatigue and pressure built. In the final term, N1 faded, scoring 10 goals while Royals lifted to produce 18. Despite this late surge, Narrikup's early dominance ensured a comfortable and well-earned 63-47 win.

N1's strengths were clear: relentless defensive pressure, smart body-on contests, centre court drives, and numerous turnovers converted directly into goals. Their ball movement created strong passages of play through every area of the court, giving shooters clean opportunities and maintaining rhythm.

The team succeeded because every player committed to their role, communicated well, and controlled their play from turnover to conversion. While a few skill errors appeared, the team maintained composure and continued to work hard across all four quarters. Overall, the performance aligned strongly with expectations. A powerful Round 12 showing from Narrikup 1.
