N9 Deliver Four-Quarter Strength in Impressive Round 12 Win

Narrikup 9 started Round 12 with real intent, opening the match with a strong first quarter and a 6-goal lead, 13–7. Their momentum continued into the second quarter, where another dominant passage of play saw them outscore Royals 13–6 to take a commanding 13-goal advantage into halftime. The fourth quarter mirrored this strength, with N9 again producing a 12–6 quarter to close out a confident and composed 48–31 victory.

The team's defensive end set the tone, applying strong body-on pressure, denying play and pulling in crucial turnovers. In attack, the shooting combinations worked seamlessly, adjusting well and finishing strongly. With only one substitute available, smart tactical decisions were made through the midcourt, rotating Maddie and Suri into centre at times to give Ivy a chance to refresh her legs. Despite limited rotations, the team maintained structure, communication and control from turnover to conversion.

It was a whole-team performance, with every player contributing to the result. Narrikup controlled the tempo, communicated well and stayed composed even as a few basic skill errors crept including footwork, dropped balls, replay calls and centre breaks. Importantly, they didn't let these moments derail their focus, continuing to work hard and play their game of netball.

Several players stood out across the match. Ivy ran tirelessly through the centre, showing great change of pace, strong drives and sharp feeds into the circle which was exactly what she has been working on at training. Suri was composed and commanding in defence, pulling in intercepts and leading strongly as team captain. Bella was powerful in GA, driving hard and moving quickly into the circle. Hetta's flexibility was invaluable, swinging between goals and defence as needed, while Mia also showcased her versatility, shifting from attack to defence and reading the play beautifully. Maddi and Faith stepped confidently into unfamiliar positions. Faith in WA and Maddi in C. Faith also produced brilliant intercepts in GK. Aroha provided strong rebounds and pushed through despite recovering from illness, giving her all for the team. A solid, connected and well-earned win for Narrikup 9.
