N13 Stand Tall and Finish Strong in Round 13

N13 entered Round 13 a few players down, needing to mix up the starting seven and adapt quickly. After a tough first quarter, the team refocused on relaxing, trusting themselves and coming strongly in front. Once they settled, the girls matched the older and taller Griffins outfit goal-for-goal for the remainder of the match, showing impressive resilience and maturity under pressure.

Their full-team defence worked tirelessly all game, with Sienna outstanding in GK. Her fast feet, smart positioning and ability to read the play forced multiple turnovers and kept Narrikup in the contest. In attack, Evie responded brilliantly to feedback in WA, helping the forward line flow more smoothly and giving the shooters cleaner ball.

After a rest in centre, Sarah returned to GA with a challenge to score three goals while relaxing and enjoying herself. She and Kacie were all smiles as they combined beautifully, lifting the team and helping N13 finish the game strongly, winning the final quarter 7–2 and closing out the match with confidence.

Despite the 21–11 loss, N13 showed enormous growth. They adapted, fought hard, supported each other and demonstrated the kind of teamwork that continues to build week after week. These girls are developing not only as players, but as the delightful young women they are. The club is incredibly proud of them and excited to see what they do next.
