N7 Rally Hard After Tough Start in Round 14 Loss

N7 were put under pressure early, with Railways firing out 9 unanswered goals before Narrikup settled into the game. Keeping their heads up was the turning point, once the girls relaxed and trusted each other, they fought for every ball and refused to let the early scoreline define the match.

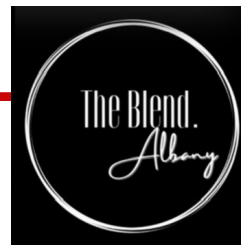

From there, the game unfolded with real determination. The team knew Railways would be a tough opponent, but they stayed strong across all four quarters, working hard through every contest and never letting the pressure diminish their spirit. Railways' shooting circle was difficult to contain, but Narrikup's defensive adjustments made a clear impact and helped steady the flow.

With a few players out, the usual rhythm wasn't quite there, yet the fill-ins slotted in seamlessly and kept the team connected. A key tactical decision was shifting height and strength into the defensive end, which helped disrupt Railways' shooters and gave Narrikup moments of momentum.

N7 succeeded in patches because they encouraged each other, stayed composed after the rough start, and kept pushing through every contest despite the scoreboard.

Standout efforts included Maisie, who showed nonstop strength in defence and pulled in brilliant intercepts despite battling a cold; Maggie, created confusion in the defensive space before swinging back into WD; and Luella, shot with accuracy across four quarters, holding firm in GA against a strong GD.

A united and hard-fought Round 14 performance from N7.
