### **Narrikup 11 Show Fight Against Kangas 7**

Narrikup 11 took on Kangas 7 in a B2 matchup, with the final score ending 34–21 to Kangas. Narrikup 11 started strongly and held the early advantage, successfully putting centre-pass drills into action while applying strong defensive pressure across the whole court. As the game progressed, Kangas began to gain momentum, but Narrikup 11 never dropped their intensity and continued to fight right through to the final whistle.

Strong teamwork was a major highlight for Narrikup 11, with plenty of intercepts and efforts to win back possession, although fitness was identified as an area to build on. Kangas showed strength in shadow defence, while rolling substitutions in the second half helped Narrikup 11 maintain energy and vary centre-pass options as predictability started to creep in. Desireé stood out with excellent control of the game while playing centre, while Grace and Madison drew attention for their outstanding sportsmanship and enthusiastic on-court support. Overall, it was a positive performance that showed the team is gelling well and building confidence.
