The Narrikup Netball Club Committee is proud to announce Eileen as our Member of the Week!

Eileen has demonstrated outstanding commitment and enthusiasm by stepping up to support our Club in a variety of ways. After completing the Volunteer Survey, she immediately put her hand up for multiple roles — no fuss, no hesitation — just a willingness to help. So far this season, Eileen and her family have already assisted with the Bunnings Sausage Sizzle, joined the Game Day Photos Roster, and volunteered for scoring duties with another team.

Her generosity, positive attitude, and quiet dedication embody the spirit of Narrikup Netball. Volunteers like Eileen are the heart of our Club.

When notified about her recognition, Eileen said:

*"Oh wow, thanks very much, definitely wasn't expecting that, but very thankful to be recognised. I wanted to step forward and have our family give back to the Club, as Narrikup has really been a great club to be members of. Our daughter's netball has come on in leaps and bounds since she's been with Narrikup. Thank you so much."*

Eileen, thank you for everything you bring to Narrikup. Your contributions — big and small — make a real difference, and we are incredibly lucky to have you as part of the Narrikup Netball Club family.
