N15 Show Strong Growth in 16–9 Loss to Griffins 13

N15 put out a strong performance, with one of the key moments being the girls confidently applying what they'd worked on at training, especially the shooter-to-shooter connection, which flowed beautifully throughout the match. The game stayed close for most of the contest, but Griffins' strong defensive pressure down the court eventually saw them edge ahead.

The team's improvement was clear, playing with great intent and showing how far they've already come this season. Gypsy stood out with multiple intercepts and some brilliant turn-and-block work straight from training drills. Anna was a reliable option through the mid-court, leading into space and helping transition the ball cleanly. Orb impressed with smart movement in the circle and confident shooting to finish off the hard work down the court.

A promising performance with plenty to build on for the weeks ahead.
