N8 Show Heart in Challenging A6 Match-Up

Narrikup 8 went goal-for-goal early, heading into halftime tied, thanks to strong defensive work led by Macy, who turned over ball after ball. The attacking end battled against Griffins' tall defenders, making it tough to find good position, but the team kept pushing.

In the second half, Mila stepped up through the centre, using her training to drive the ball to the shooters, while the defensive unit continued to be the team's biggest strength. Griffins read the play well, picked off passes, and finished strongly to take the win.

Coaches kept players in consistent positions to help them focus on learning their roles, especially with a B3 player stepping up and a defender filling a shooting spot. Having beaten this team before, the loss stung, but the effort and resilience were clear.

- Mila — applied her learnings and worked hard through the mid-court
- Macy — relentless defensive pressure and turnovers
- Ella — constant encouragement on and off the court
