

# MEMBER OF THE WEEK ROUND 6

On behalf of the Narrikup Netball Club Committee, we are proud to recognise Mel Pears as our Member of the Week for Round 6!

Mel's contribution to the club over the weekend for Round 6 was outstanding. She kicked things off on Friday night coaching N18 (D5), and followed it up on Saturday by coaching N14 (D1), managing N1 (A1), supporting on the bench with stats, and even stepping in to umpire — a full day of dedication and leadership.

Then came Sunday, where Mel not only coached at the Albany Junior Carnival, but also took on the huge task of organising all the Narrikup teams attending. From contacting parents and players to coordinating with coaches, she ensured everything ran smoothly, and her efforts did not go unnoticed.

Mel consistently goes above and beyond, giving her time and energy to support players, coaches, and the broader club community. Her passion for netball, combined with her leadership and tireless commitment, perfectly reflects the spirit of Narrikup Netball Club.

As a small token of our appreciation, SportsPower Albany has kindly donated a \$25 gift voucher.

Thank you, Mel, for your dedication, heart, and all that you do week after week. We are so lucky to have you!
