Strong Showing from N6 in Tight Club Clash

A classic A4 Derby played in great spirits, with N6 delivering their best performance of the season despite the final scoreline. N6 opened beautifully, slotting the first three goals of the match and settling quickly into their strengths. The team held the lead across the first two quarters and went into the final break just one goal down, before N5 found an extra gear in the last.

Fresh legs from B1 fill-ins Madi and Suri helped keep the tempo high, and the group stuck firmly to their game plan, refusing to get drawn into the faster style of their younger opponents. The patience, decision-making and connection across the court were standout improvements, and the whole match was played with plenty of laughs and great club spirit.

Players who stood out:

- Sophie: outstanding with clean intercepts and strong support through the centre.
- Lily: delivered pinpoint feeds into the shooters all game.
- Jo: ran a smart, composed game with great movement and circle support.
- Mel: impressive shooting accuracy and strong on-court leadership.
- Grace: came on as a rolling sub and surprised everyone with a brilliant intercept that had both benches cheering.
