

MEMBER OF THE WEEK ROUND 7

The Narrikup Netball Club Committee is thrilled to recognise Devon as our Member of the Week for Round 7 — an outstanding volunteer who went above and beyond in her support of our club.

Devon, a B Badged umpire, made the special trip down from Perth on Saturday to spend the entire day with Narrikup Netball Club — entirely as a volunteer. Her purpose? To mentor and support Narrikup umpires coming through our Green Shirt and cadet umpire programs.

Throughout the day, Devon mentored five umpires, offering in-game coaching, guidance, and valuable feedback. Her calm, encouraging approach helped build confidence and improve umpiring skills.

In addition to her mentoring role, Devon also put her hand up to umpire for the club, and when offered a choice between officiating an A1 or A2 match, she thoughtfully selected the A2 game, prioritising the match that would best allow her to support the club.

Her willingness to travel, give up her time, and provide mentoring to officials, all without expecting anything in return. Devon's dedication to the sport and to the values we hold dear at Narrikup.

As a small token of appreciation, SportsPower Albany has generously donated a \$25 gift voucher. A special thanks also to Totally Sports & Surf.

Congratulations again, Devon, your efforts mean the world to us!
