Huge Round 8 Upset from Narrikup 10

Round 8 was always going to be a challenge as Narrikup 10 took on ladder-leaders Kangas 7, and what a game it turned out to be. The girls came in fired up after their opening chant, but Kangas started strongly and it took a moment for Narrikup to settle. They finished the first quarter just one goal down, and you could feel the belief building.

By halftime the scores were locked, and Narrikup knew the win was within reach. The third quarter saw the girls push ahead to a three-goal lead, and despite some tired legs in the final term, they came out firing and held strong right to the end, securing a well-earned 28–31 victory.

With Sam sidelined due to injury, every player stepped up. Marlee dominated in GS, holding strong and finishing beautifully. Emelia and Ivy brought accuracy and drive. Poppy's energy was huge, chasing down every opportunity. Brooke led explosively with great vision down the court. Jenaya was composed and clever with her centre passes and backline leads. Millie and Lucee delivered intense, committed defence that made a real impact.

A determined, united performance, and a win to be proud of.
