Determined Performance from Narrikup 11

Narrikup 11 put in a strong, hard-working performance against Kangas 7, starting the game evenly and matching their opposition across the court. The girls kept pushing right from the first whistle, giving Kangas a genuine contest and maintaining 100% effort throughout the entire match. Although they weren't able to finish off enough opportunities on the scoreboard, their determination stayed strong all game.

Kangas' incredibly accurate shooter proved difficult to contain and was a key difference in the match, but Narrikup continued to work hard and support one another. The team backed each other up on loose balls, stayed firm in defence as instructed, and kept applying the drills and structures they've been working on at training. Their teamwork and support for one another were clear right across the court.

Ayla and Grace stood out with their strong voices and encouragement, lifting the team and keeping spirits high. Desiree gave everything during her time on court and worked hard from start to finish.

Despite the final score, it was a solid, united effort from Narrikup 11, full of heart and hard work.
