Narrikup Show Huge Growth in Round 8 Clash

Narrikup took on a tough and very physical Sonics side during Round 8, and even though the first quarter put us a fair way behind, the girls didn't let it throw them. They settled, stayed calm and worked their way right back into the match, breaking Sonics' zone with smart movement and confident passing. Before long, they'd pulled the margin back to just three goals, with our shooters finishing beautifully and the defenders turning over plenty of ball.

Sonics were strong with their physicality and shooting, but their attitude toward the umpires wasn't great. Our girls showed real composure after a rough start, and breaking their zone was a huge highlight. Losing one of our defenders in the last ten minutes gave Sonics just enough space to pull away again, but the effort never dropped.

The team listened so well during breaks and put everything from training, including the scratch match with the A1s, straight into action. Considering we lost to this team by eighteen last time, bringing it back to eight shows just how far they've come. Ellie was strong in the circle with lovely feeds, Martlie worked tirelessly on a quick GA, and Jade stayed composed and kept driving the ball into the circle. A gutsy, friendly and much-improved performance from the whole group.

The Office National logo consists of a blue rectangular background with a yellow diagonal stripe running from the top-left corner to the bottom-right corner. The words "Office National" are written in a large, white, sans-serif font across the center of the blue area.
